

REMARKS

The Applicant respectfully points out that following the two Preliminary Amendments filed on April 16, 2001 by the previous attorney of record, Oppendeimer Wolff & Donnelly, to which the Examiner refers, the Applicant filed a further Preliminary Amendment on August 13, 2002.

With this Amendment a Power of Attorney was filed changing the attorney of record to the Applicant. A Supplemental Declaration and amended claims were also filed.

It appears that the Preliminary Amendment filed on August 13, 2002 has not been received by the Examiner and a copy is now enclosed, together with a Certificate of Transmission. The Applicant would be grateful if the Examiner could have the attorney of record details amended.

As this application is one of nine divisional applications from the same parent application number USSN 09/807,297, it has been brought to the Applicant's attention that the Supplemental Declaration filed on August 13, 2002 is incorrect. A new Declaration to replace all previous Declarations filed is now attached.

The Applicant trust that the Preliminary Amendment filed on August 13, 2002 overcomes objections raised in the Office Action.

Very respectfully,

Applicant:
